WHAT IS TRUTH?
John 1:1-5

SCRIPTURE REFERENCE(S)

Genesis 1:1-2
John 14:6
1 Peter 3:15

HISTORICAL HIGHLIGHTS

In today’s society, we are bombarded by questions of “what is truth?” The Bible definitively affirms the existence of absolute truth and reveals where it is found. Though the Bible affirms the truth, many challenge this truth and are willing to vociferously argue their points. As followers of Christ and apologists our goal is not to win these arguments but to win people to Christ. Chapter 1 lays the foundation for us to engage in Courageous Conversations regarding the truth about our faith in Jesus Christ.

DISCUSSION QUESTIONS

1. Please define / discuss absolutism and relativism.

2. The authors discussed the term “Art of Living.” Being that we are creatures of free will, do you believe we can all develop our own “Art of Living?”

DISCUSSION QUESTIONS *(Continued)*

3. What are some possible examples in history, and even today, why some people would be skeptical of our Christian beliefs?

4. Please list / discuss some distortions of God’s Word and misuse of truth related to African American history mentioned in this chapter.

5. Please name and discuss three recommendations on how to engage others in relationships and witness the truth to others.
