Greetings Saints,

I know you will agree with me in saying that there is no God like our God.

As summer comes to an end, let us engage in providing spiritual support to those who are returning to the classroom. Please continue to pray for students, faculty, staff, etc. as this will be one of the most crucial years involving learning. Pray that every parent will make the right choice on behalf of their child. Pray that God will grant every instructor innovation and wisdom to teach their children virtually or otherwise. Pray that avenues will be provided to successfully engaged low-income students in distance learning if it is needed. Pray for the safety of all of those returning to school.

In conclusion, I admonish you to remain active in this season. Engage in meaningful things that will stimulate you mentally, feed you spiritually, benefit you physically (exercise, diet), and strengthen you relationally.

Yours in Christ,
Pastor
