Blessings Hopewell Family

Please join me tonight as I begin a series called "The Blessed Life." The title of tonight's message is "Balanced and Blessed." We will engage in very practical teachings that will empower you to establish personal foundational disciplines that will strengthen you during these times. I encourage you to invite your friends and family to join us for this life-changing teaching.

These are times when we must define our experiences and not allow our experiences to define us. I am glad to announce our Hopewell C-19 Initiative. HC-19 is designed to engage our church in ways to prevent us from being consumed by our present pandemic. Our staff has worked tirelessly to come up with alternative means to bring a sense of normalcy to our church family. We trust God that you will participate in as many events as possible. This will help foster unity, strength, and encouragement with our congregation.
