Greetings Family,

Summer is upon us and it is important that we remain prudent as movement ramps us in society. In a few short weeks, we do not contemplate a control reopening. If there is anything that we have learned through this crisis is, social distancing and wearing a mask appear to be one of the most effective ways to slow down the spread of COVID-19. I continue to urge you to enable these methods for your safety. Once we receive all of our equipment and supplies (i.e., hand sanitizer, sanitizing equipment, thermometers, masks, etc.), we will begin a “controlled reopening.”

This Friday, June 26 at 7:00pm, please tune into “RELEASE” a night of worship. Our worship team, led by Gary Williams, Jr. will usher us into God’s presence with music and praise. Please tell your friends and family about this wonderful night that has been crafted with you in mind.

Special thanks to Richard Preston and the many volunteers for participating in the Farm Share food distribution last Saturday. We fed over 200 families. To God be the glory! Finally, this weekend June 27 and 28, COVID testing will take place at the Mandarin Campus. The times are 11am to 4pm on Saturday and 11am to 3pm on Sunday. If you know anyone that needs testing, please ask them to visit the campus.

Heartfelt thanks to those who have kept us lifted up in constant prayer. Your prayers provide our church and my family the strength needed to weather these times.

Yours in Christ,  
Pastor
