May 13, 2020

Greetings Family,

It is my prayer that this letter finds you safe in the arms of the Lord. Let me first begin by expressing a heartfelt thanks to those of you who Zoomed me on my birthday. What a pleasant and uplifting surprise to see hundreds of our congregants on a Zoom call on May 12th to wish me happy birthday. Despite the times in which we live, you made the day very special and I am eternally grateful.

As we continue to worship remotely, I pray that you remain encouraged. These are most certainly times of inconvenience. Nonetheless, God is still on the throne and with prayer and patience, we will persevere.

Here are two things to be mindful of:

1. On May 17, 2020, we will honor the high school senior class of 2020. Because of the sacrifices made by so many in our congregation, we will award \$30,000. Make sure you tune in to see which one of our amazing young people will be the recipient of the 2020 G. L. Williams Scholarship.
2. On May 31st, we will have Praise in the Parking Lot (St. Johns Campus). This will be our first drive-in worship service. The particulars are forthcoming, so please listen out for them.

Continue to Stay Safe, Be Prudent, and Remain Faithful!

Your Pastor
