Greetings Family,

I pray you are remaining safe and sane. As we continue to be mindful of the times, let us rest on the confidence of our faith. Know that God's sovereignty is not affected by pestilence, disease, natural disasters, or COVID-19. For most of us an immediate end to the present pandemic cannot come fast enough. Nonetheless, patience, prudence, and prayer are the most efficacious tools at our disposal that will get us through this crisis.

Regardless of how difficult the days may be, we must never confuse the length of our trial with the love that God has for His children. In the next few weeks, I will unveil a tentative plan to reopen our church for worship service. Rest assured much thought and prayer will go into a safe reopening. In the meantime, I am looking forward to worshipping with you for ***"Praise in the Parking Lot" on May 31, 2020 at the St. Johns Campus.***

Here are the particulars:

1. Registration is needed if you are attending the **9:15am** service (Limited to 200 vehicles). Click on this link www.joinhopewell.com/praise to register. You do not need to register if you are attending the 11:15am service.
2. Stay in your vehicle.
3. Follow the directions of parking lot attendants.

Although we will worship in our vehicles, I am believing God to do great things on this day.

Best regards,
Your Pastor
