

May 27, 2020

Greetings Family,

I pray that this correspondence finds you in good health and prosperity. As we weather the times before us, we must view God as the cement of our faith. Long battles often produce weariness. In the same way crises do not announce their arrival; they do not publish their departure. Therefore, the spirit of faith and perseverance is needed to weather these times. Here are a few people nuggets that will enable you to maintain and make it through the COVID crisis:

1. Spend time with God daily (prayer, meditation, and reading Scripture).
2. Exercise at least three times a week, not less than 30 minutes.
3. Make it a habit to check-in with your friends and family throughout the week.
4. Pray for discernment as you become informed about current events.
5. Research the goals and aspirations that you placed on hold.

I would like to give a special shout out to our worship team, band, Armor of God, media team, and staff for ensuring the quality of our worship on Sundays and Wednesdays. They are essential to our operation.

"Praise in the Parking Lot" is postponed due to the showers of blessings (rain) expected this weekend. Remember to stay safe, remain prudent, and be faithful!

Your Pastor
